THE 98th TIME

LATIN

For the 98th consecutive year, the Latin-English Football Game exemplifies the traditions and high ideals of high school athletics. This oldest and finest of football rivalries has been nurtured and sustained through both good and lean years. Both schools share a long history of academic excellence and athletic achievement. This tradition of pride and commitment to excellence must continue to grow and flourish. A very special thanks to the parents, students, coaches and graduates of both schools for their continued enthusiasm and support. Happy Thanksgiving to all!!!

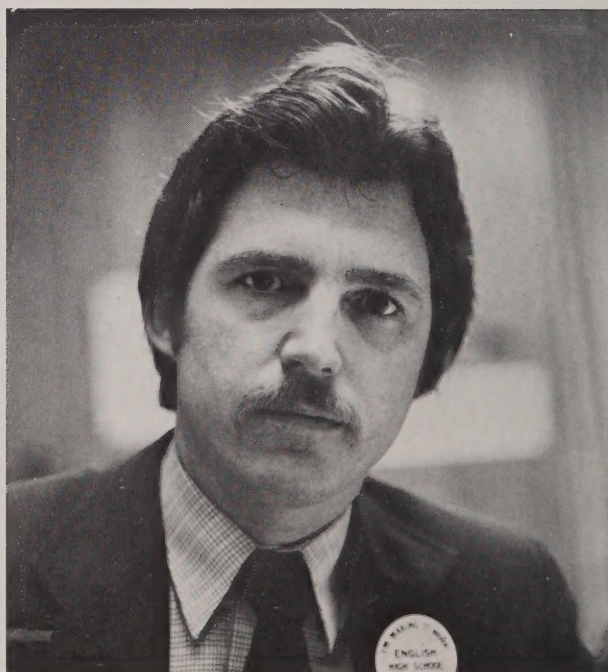

Michael Contompasis '57
Head Master
Boston Latin School

ENGLISH

This is a very special Thanksgiving for the English High School and myself. The English High School is a symbol of all those traditions that are rooted in its stature as the oldest public high school in the country. In addition to this, given its recent reorganization, the English High School also stands as a symbol of the revitalization of secondary education in the city. By combining the enduring qualities of the past with a renewed sense of spirit and energy, English High School will make its mark of excellence, in the classroom and on the playing field.

Best of luck to all the participants in today's game. I am both proud and thankful to be a participant in this grand tradition.

Sid Smith
Head Master
English High School

Coach Costello's Statement

This year's Boston Latin football team is a super group of young men. I greatly admire their dedication, desire and love for the game of football. They have done everything that I have asked of them and more, with great fervor, spirit and determination.

When a team of this caliber comes along it is very difficult to end the season. They have made it a very special and exciting one. Wolfpack '84 has left their mark on Latin School Football as they have created an atmosphere of friendship, and have provided us many great memories.

I would like to extend my sincerest thanks to captain Shawn Kennedy for his outstanding leadership throughout this season. I am also deeply indebted to my Assistant Coaches Mike Brown, John McDonough and Frank Stevens for their unselfish devotion and hard work, which has made this season possible. Finally, I am extremely grateful to the many parents of the Wolfpack Gridiron Club, who have toiled all season to give the team support and the extras that mean so much to us all.

Paul F. Costello
Head Coach
Boston Latin School

Coach Parker's Statement

Our team has had a year of learning, and we have made great progress with a lot of young and inexperienced players. Our efforts on Thanksgiving morning will be aimed at stopping a fine Boston Latin squad whose record certainly suggests that our chances are slight. Our efforts on Thanksgiving morning as a young and determined corps of Blue and Blue will be of the highest order, in the great tradition of English High. On the day of our 98th meeting we shall all step forward with pride and determination.

Keith Parker
Head Coach, E.H.S. 1984
